ServiceRanger Standard
ServiceRanger Standard with Eaton transmission and hybrid product support - 1 year subscription

ServiceRanger is a PC-based diagnostic and service software application that provides quick access to Eaton commercial vehicle products. It allows for quick and easy diagnostics of complex problems affecting electronic systems, enabling faster service and shorter down time. ServiceRanger is the only tool for servicing Eaton products.

Eaton products supported in the Standard package:

- Generation 2 AutoShift
- Generation 2 UltraShift
- Generation 3 AutoShift
- Generation 3 UltraShift
- UltraShift PLUS
- Hybrid Electric Systems
- Hydraulic Launch Assist
- Lightning

Features include:

- Active and inactive fault codes
- Real time vehicle data parameter values
- Service routines and diagnostic tests
- Editable vehicle configuration parameters
- Service information

Product options
